This is a really large owner in the district.

She insisted on correcting the addresses and a couple of misspellings on some of them, even though I said the information has to be updated with the Assessor.

I am hoping this is not a problem. They appear to be executed fully and properly other than this.

Please confirm if all of these are accepted as valid or not - thanks!

Tara,

Will let you know as soon as I'm done checking the last batch of petitions you sent. Regarding the the question about the leased property - will get back to you about that - am waiting for a final answer about that situation.

Thanks

Mario

Tara,

I finished checking the last couple of petition batches you sent me - all okay except for the two listed below.

Rudner, Lanny - printed name is missing from Statement of Authority to Sign box.

Scharff, Simone Tr - name crossed out and replaced with Seventeenth Avenue WGS Lot, LLC - the County still shows the owner as Scharff, Simone Tr - will need documentation showing ownership change.

Thanks

Mario
